5-PIN BOWLING RULES

8. SCORING

The averages of all games played by each participant will be used to determine the final standings in both Singles and Team play.

Dependant on the number of lanes available, this event may have to be extended into an evening. Each bowler (in Singles & in Teams), should expect to be scheduled to bowl, at the very minimum, 4 games.

Note 1:

5-Pin Bowling is played in the majority of the member provinces / territories; however, in NB & NS, Candlepin is the primary bowling game played and in QC it is Duckpin. When the Canada Games are played in NB, NS or QC; Candlepin or Duckpin, as appropriate, will replace 5-Pin as one of the Mandatory Events.

Note 2:

Scheduling may or may not permit single's to also bowl on teams. The Host Committee is to ensure that provinces/territories are advised as soon as known as to whether singles bowling and team bowling will be conducted concurrently or separately. It is also essential that Province/Territory Directors inform the Host Committee as soon as possible as to whether they have bowlers that plan on bowling in both singles and team 'IF' this can indeed be accommodated.
