- 36 hole stroke play with 18 holes per day
- It is not necessary for golfers to submit their handicap from their home club if entered in either the Low Gross or Callaway categories.

RULES AND REGULATIONS:

1. Golf Canada Rules will apply.
2. In case of a tie, the retrogression method will be used.
3. For Low Callaway: Dependant on the golfer's score, a certain number of holes will be deducted from their gross score to determine a "handicap". The holes used for this deduction will be pre-determined prior to the commencement of play, but golfers will not be informed of which holes they are until after the competition is complete. No more than 'double par' can be deducted for any full hole taken off. The Modified Callaway Scoring System is depicted in the table at the bottom.

NOTE: The normal Callaway scoring system has been modified to ensure that the golfers play the game, not the system.

GOLF RULES

4. Groups may consist of two, three or four golfers, depending upon the number registered. If practical, players from the same prov/terr will not play in the same group. Groups will be men or women, but not mixed.

5. Medals will be awarded to both men & women in all five age categories and in both events. Medal winners in the Low Gross categories are not eligible to win medals in the Low Callaway category-

(This table is for a Par 70 course)

All Players' scores are adjusted to a maximum of twice par on all holes.

Look up the adjusted score in the table and see the number of holes to deduct. Round up. If a player has a deduction of ½ a hole and his designated hole score is a 7 then he may deduct 4 (3.5 rounded up). Once the deductions are made look in the column where the adjusted net score scored is found and apply the number in the bottom row.

(The scores on the last two holes played may not be used for adjustments. If a shotgun start is used, the scorecard must clearly indicate which hole the golfers started out on).

GOLF RULES

The player scored a 9 on the par three ninth hole. We adjust this down to twice par which makes it a 6 and we deduct the adjustment (3) from the total score. The adjusted total for this golfer is 113 (116-3). 113 lies in a row in the table which shows this golfer gets to subtract the first 4 ½ holes pre-designated by the tournament officials.

As an example, let's say that the first five holes designated by the officials were #'s 4, 7, 9, 13 & 16. Looking at the score card above, we would then deduct the following scores (4, 6, 6, 7 & 4 {half of 8} = 27), which applied to the adjusted gross score would be 113 – 27 = 86. Going back into the above table, we find 86 is in Column **d**. Next we look down column **d**, and at the bottom we have a +1 which we apply to the golfer and the final Calloway score is 87.

NOTE:

1. It is suggested that the HC endeavour to change the composition of the foursomes each day of the tournament.
2. NO caddy's allowed; spotters may be allowed upon request ONLY prior to the start of competition.
