

# EVENT REGULATIONS

**MUST** be read in conjunction with event rules.

## 1. GENERAL

- Participants come to the Canada 55+ Games for a variety of reasons, but most importantly to play the “event” of their choice and other participants from all across Canada.
- The event schedule **MUST** indicate the Prov/Terr beside the participant’s name.

## 2. THE DRAW

- When making the draw for any event, it is important to remember that the event must be **a minimum of three (3) days**. Exception: Cycling, Golf, Swimming and Track & Field
- For most events, a double round robin will suffice, but dependent on the number of participants registered, either a single round robin or in some cases a triple round robin may have to be used.
- If a very large number of participants are registered, then a two-division round robin can be played.
- In the case of Bowling, Ice Curling, Hockey and Slo-Pitch, dependent on the number of lanes, sheets of ice, ice arenas and diamonds respectively, these events may have to be extended into one or more evenings.
- The Host should endeavor not to have the same Prov/Terr teams/participants in the same pool and/or playing against their own Prov/Terr.
- Whenever possible, final medal games in all events **MUST** have the appropriate officials: referees, umpires, lines people, score keepers, etc.
- For most draws, scheduling from 9:00 am – 5:00 pm will suffice. Participants also come to the Games to enjoy the social component in the evenings.

### 3. MEDALS

- Gold, silver and bronze medals will be awarded to first, second and third place respectively.
- All members of winning teams will receive a medal.

The type of tournament to select for the competition will depend on the number of factors such as: the type of activity, the number of teams or players and the amount of time available. It may be necessary to draw up a tournament format appropriate for the event.
